

## STUDENT DRESS CODE

Shepparton ACE Secondary College's dress code is neat casual. You are expected to dress in a manner that is neat, clean and safe at all times. Appropriate footwear is expected to be worn.

Clothing items that are **NOT** to be worn to school include:

- Clothing with offensive slogans, symbols, cartoons or graphics
- Slides
- Thongs
- Pyjamas
- Onesies
- Very short shorts, crop tops, or any other revealing clothing.

If a student attends school wearing any of these items we will contact the parent or carer and request that you bring more appropriate clothing to school. Thank you for your support with this.

Students are encouraged to wear a sun protective hat during the warmer months.
