

Coming in Term 4: Toxic takes an in-depth look into vaping, as well as addition and physical and mental health of young people.

Ecstra Foundation

Is your teen good with their finances?

Talk Money with Ecstra Foundation is designed to help Australian students learn money lessons for life, to be confident talking about money and to make informed financial decisions.

Shepparton ACE Secondary College has invited Talk Money to visit us and speak with our students in Year 10-12. The facilitators will deliver interactive workshops on "Spending and saving money" and "Making money work". This event is free for all students to attend – and zero cost to families.

Planning for the future

Do your students want to enter into a trade, TAFE or university degree?

We'll be ready for the big questions and assistance with resumes. An onsite career advice and support teacher, Sile Coleman, is available Monday afternoons, and Tuesday and Wednesday mornings to support your child in the next chapter, after secondary school.

Year 12

Holocaust MUSEUM Excursion

Top Image: Year 12 students

The Year 12s are currently studying the history of the Holocaust and the relevance today of the power of propaganda and the rise of Neo-Nazi's. They recently visited the Holocaust Museum and heard a moving and inspirational speech from Joe, a 93 year old Holocaust survivor, whose main message, despite his extreme suffering as a child, was one of positivity and hope.

College Updates

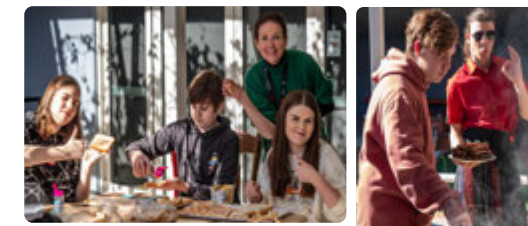

Science Dome INCURSION

Year 7/8 Class at science dome incursion

Students experienced a spectacular 360 degrees display of various space concepts. Year 7 students observed rockets throughout the years and advances in space travel. Students from Year 8 + 9 saw the scientific view of the beginnings of the universe, including a scientific visual animation about black hole creation and size. Year 10 students viewed shows about black holes and their gravitation pulls, and dark matter.

VCE-VM Students HOST SPACE DAY

Right Image: Year 11 students

The Year 11 VCE-VM students hosted Space Day, serving up a galactic storm with a popular B.B.Q lunch. The lunch was well-received by all year levels who were keen to enjoy the cooking efforts by the VCE-VM students.

MURAL ARTWORK brings blank building canvas to life.

Term 3 has launched into high gear with artist, Tank, bringing his work from the sketchpad to massive canvas, that is at the rear of Shepparton ACE Secondary College. Tank's artwork will be a permanent display, showcasing the native Australian landscape.

A QUIET SPACE NEW SPACE FOR STUDENTS TO RELAX AND REFLECT

In the Term 2 holidays, builders were hard at work in the construction and installation of the new quiet space, located on Level 1. Students and staff have been thrilled to see the space come to life, with the newly created space available to students to use for quiet reflection. The brand-new space has provided a well-lit environment for students to work comfortably and cooperatively during lunch periods.
