coming in Term 4: Toxic takes an in-depth look into vaping, as ell as addition and physical and mental health of young

The end of the year marks our exciting activity week, scheduled between the 4th and 7th of December. This week promises an array of fantastic activities designed to celebrate the culmination of our academic year.

One of the highlights of this week is an exhilarating trip to Fun Fields, where students can revel in a day of thrilling rides, games, and endless fun. It's the perfect opportunity for our students to unwind, bond with classmates, and create lasting memories.

Keep an eye out for updates early in Term 4!

Planning for the future

Do your students want to enter into a trade, TAFE or university degree?

We'll be ready for the big questions and assistance with resumes. An onsite career advice and support teacher, Sile Coleman, is available Monday afternoons, and Tuesday and Wednesday mornings to support your child in the next chapter, after secondary school.

Acknowledgement

Issue 6

November 2023

ACE Secondary acknowledge the Traditional Custodians of the land on which we work and live, the Yorta Yorta people, and recognises their continuing connection to land, water and community. We pay respect to Elders past, present and emerging.

Reception Hours

The College can be contacted by phone Monday – Friday, between 8.30am - 4pm on (03) 5831 4029 during the school term.

Please contact us via phone for all urgent matters. You can find us on Facebook or our website at www.sasc.vic.edu.au

Mobile Phones

Shepparton ACE Secondary College has a very clear policy related to mobile phones. Students and their families are reminded that all phones and/or other devices must be handed in before school and retrieve them at 3pm.

If you need to contact your child, please contact the office to do so.

Year 7 + 8

AFRICAN DRUMMING

Year 7/8 students recently dived into the captivating world of rhythm and melody, finding inspiration in the vibrant musical traditions of West Africa and Brazil. Through the 'In the Groove' incursion-style workshop, students discovered the joy of making music together. This exciting and engaging experience allowed students to connect with their peers and embrace the power of rhythmic harmony. It was a fantastic musical journey that our students will cherish, and a testament to the fun and inclusivity of music education at our school.

This term, our Year 9 students have been immersed in the captivating realm of

acids and bases, an essential topic in the world of science. With great

excitement, they've delved into the complexities of these chemical compounds

and their reactions. One of the highlights of their journey has been exploring the

different acidity levels through engaging litmus tests where they observed the

vibrant color changes and chemical transformations that occurred during these

experiments, our students have developed a deeper understanding of the

fundamental principles that govern the behaviour of acids and bases.

THE ANNUAL SPORT AND ACTIVITIES CARNIVAL!

Shepparton ACE was abuzz with excitement as students participated in a variety of sports and activities during the annual Sports Day! It was fantastic to witness the Student Voice team's vision come to life as students competed for team points. Congratulations to all the participants for their outstanding efforts, and a special congratulations to the winning team, the aquamarines!

Year 10

CLASS

Year 10 students welcomed Talissa, Training Manager for McDonald's, who provided insight into the application process and pathways to employment with McDonald's throughout the Goulburn Valley. Students were presented with a unique opportunity to gain valuable insight into the application

process with the major retailer who employs thousands of young people across Victoria.

year I

CLASS

This term, our Year 11 students had the privilege of visiting Haeusler's in Shepparton. During this experience, they were immersed in an informative session about John Deere machinery and the crucial services they provides. Furthermore, they gained valuable insights into the essential role that Haeusler's plays in supporting the region through employment and agricultural machinery services. This field trip not only expanded their knowledge but also emphasized the local impact of the industries they're exploring,

inspiring them to consider their role broader community and economy.

CLASS OF

CONGRATULATIONS

Shepparton ACE Secondary College wishes to congratulate the graduating class of 2023.

We are truly proud of our Year 12 students who are graduating on 24th November with a premier of their short film, 'Truck in a Muck' followed by a dinner at Little Lipari. They are pictured here with Ken Muston and Gwen Parsons who conducted their mock interviews for Work Related Skills.

TO THE GRADUATING YEAR 12 STUDENTS

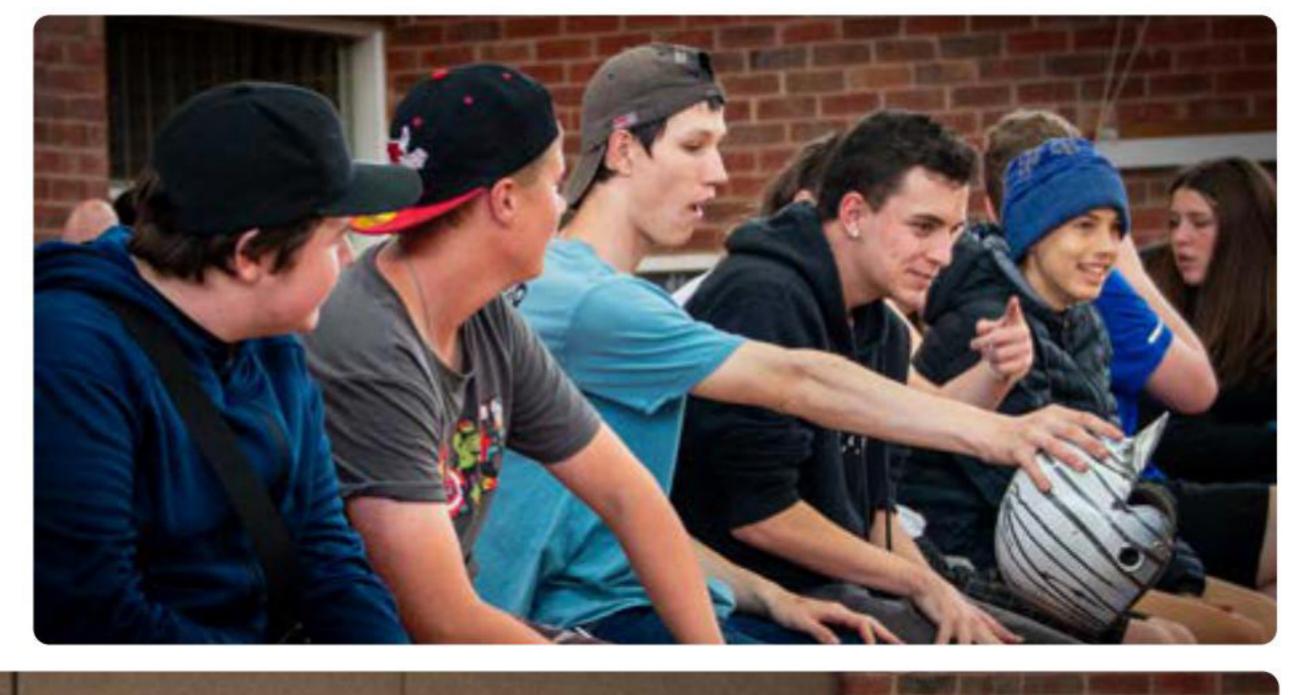

Image: Year 12 students with Ken Muston and Gwen Parsons

Students thoroughly enjoyed the spooky

Students from Year 7 to 10 dove headfirst into an exciting incursion that built upon their creativity and critical thinking strategies. They relished the exceptional challenge of constructing their very own billy cart then testing their carts capabilities on the race track.

Parent / Jeacher Interviews

Parent-Teacher Interviews: Your Opportunity to Connect

The Semester 2 Parent-Teacher Interviews night will be on December 6th, 2023. These valuable sessions, scheduled by appointment between 3:15 and 4:30 PM, offer a chance for parents and teachers to discuss student progress. Don't miss this opportunity to collaborate with our dedicated educators by marking your calendars and contacting us to schedule your appointment.
